To pluck eternity along the lines of circadian rhythm

November 30, 2023 to January 13, 2024

Alyssa Alikpala, Nice Buenaventura, Qian Cheng, Megan Feniak, Alexa Kumiko Hatanaka, Isabella Kressin, Garrett Lockhart, Eunice Luk, Jet Melencio, Colin Miner, Cadence Planthara, Giah De los Reyes, and Shannon Garden-Smith

Patrick Cruz has organized a group show titled *To pluck eternity along the lines of circadian rhythm*. It brings together artists whose works drift between the numerous states of being and temporality. Together, the artists and their work meditate on notions of ephemerality, entropy, and the passing of seasons as a way to deeply engage with the imminence of mortality and the fragile artificiality of our current postmodern condition.
