

Glomeramen
Arild Tveito

17.11. - 2.12.2023

Something had rolled over the edge of the stage where it continued to occult the light, casting a shadow on the ground. It was a ball as perfectly round as the disk of a fallen planet, the inextricably curled-up body of Mnester at the end of his dance.

Mnester's dance (1-9)
Oil on canvas
2023

Fallen planet
Glass, bronze, brass, wax, steel
2023
