8 RUE CHARLOT *GROUP SHOW*

What better way to start the year with its new encounters, companions and challenges than by highlighting solidarity and togetherness? In great excitement, Ruttkowski;68 presents the group show *8 Rue Charlot* in Paris.

Acknowledging what has been while standing in the midst of what will be, the gallery steps back to let an interplay of upcoming artists and their works unfold. This sneak peak of what 2024 has to offer, enables a unique dialogue – both between positions that form a symbiosis and those that drift apart from each other – creating a promising tension and captivating perspectives to look forward to.
