

[Welcome to my cabinet of paradoxes
say the word “NO” in every language

The drapes are being drawn
while torn apart
by a character almost there
in love with that which is not

Welcome to a cupboard of paradoxes

Here is safe passage for shadows
in any colour untraceable presence
fragile but at the moment
unbreakable
we see the veiled kiss
the crystal clear

Welcome to our cabinet of paradoxes
with eyes wide open in any language]
