

**Badaude: Industry, Too**

I don't know  
one happy person.

Kafkaesque corporate culture.

Hegemony threatens  
American accents.

Real and raw database.

Lyrical research;  
competitive science.

Stop trying to fuck.

Don Henley,  
pregnant again.

The Pentagon isn't done investigating.

Dress like a journalist;  
freedom gouges journalism.

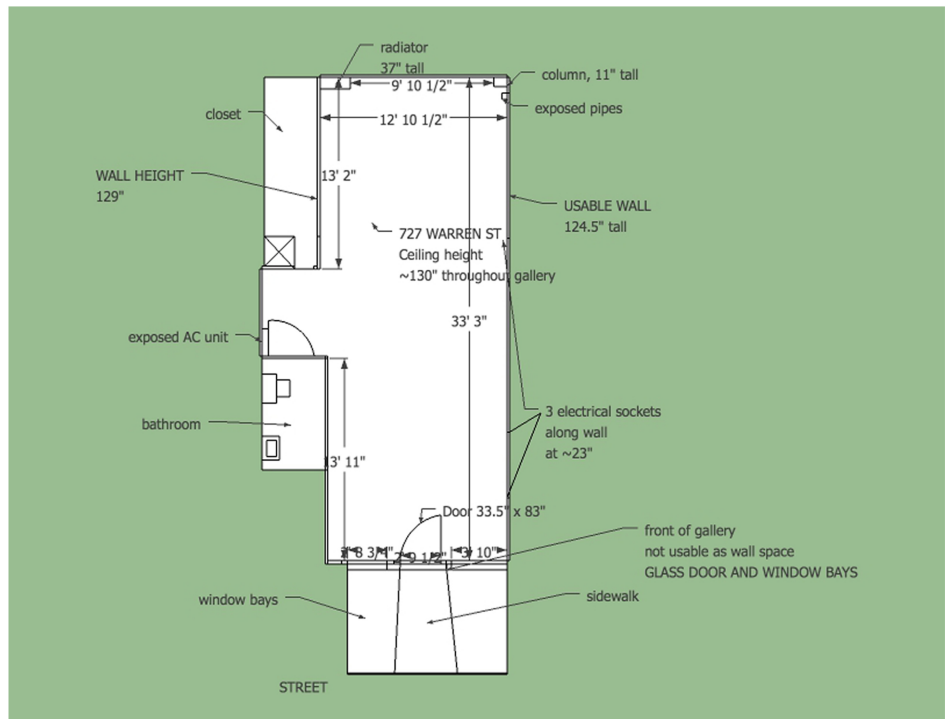

Talking police consciousness, man.

Google explains skepticism;  
Facebook squats overnight.

Modern gay marathon.

Brooklyn security scare:  
Congress too busy to apologize.

Walmart, Koch Brothers, Alcoholics Anonymous.
