Dorothy Iannone

She is a freedom fighter

"..For many years now, Dorothy Iannone has been investigating through her visual work, her books and her records, the world of love and loving-styles. In her original (re)-serach, she skillfully blends imagery and text, beauty and truth. She is a freedom fighter, and a forceful and dedicated artist. Her aim is no less than human liberation."

Monica Majoli

Rubbermen Bound

"...Majoli has traded the factureless exactitude of oil paint for the runny swells of watercolor and gouache. In her ongoing Rubbermen series, begun in 1999, Majoli loosely renders men donning multilayered rubber fetish suits. These garments function as a kind of second skin, a prosthesis that both envelops and redoubles the countours of the bodies they contain, implying at once protection and suffocation, restriction and pleasurable abandon."
