**I've Never Been As Happy
As That Moment**

GOSWELL ROAD
PARIS

I...

I'm so happy to be here in front of you all.

I can't believe my time has finally come.

This moment we've all been waiting for, for so long.

It's finally arrived.

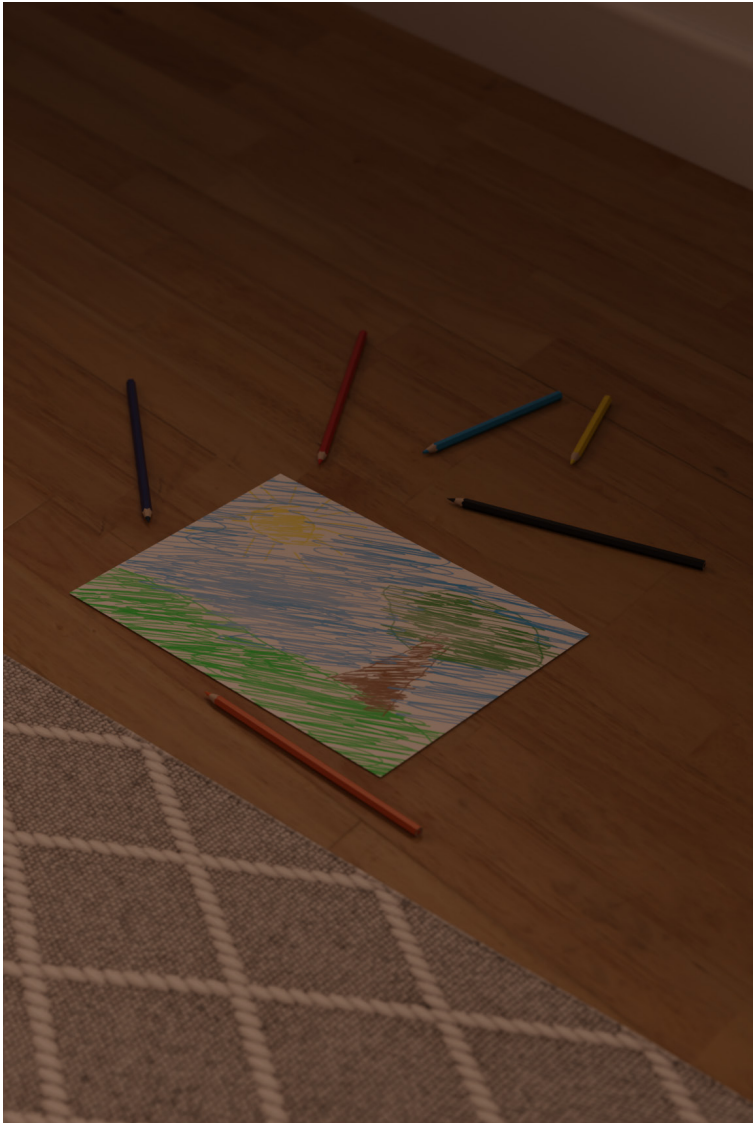

I will take utmost care of you all.

And do my duties as your Queen.

I...

**I had a lovely morning in my
chamber...**

**The birds were singing
beautifully...**

Did you hear?

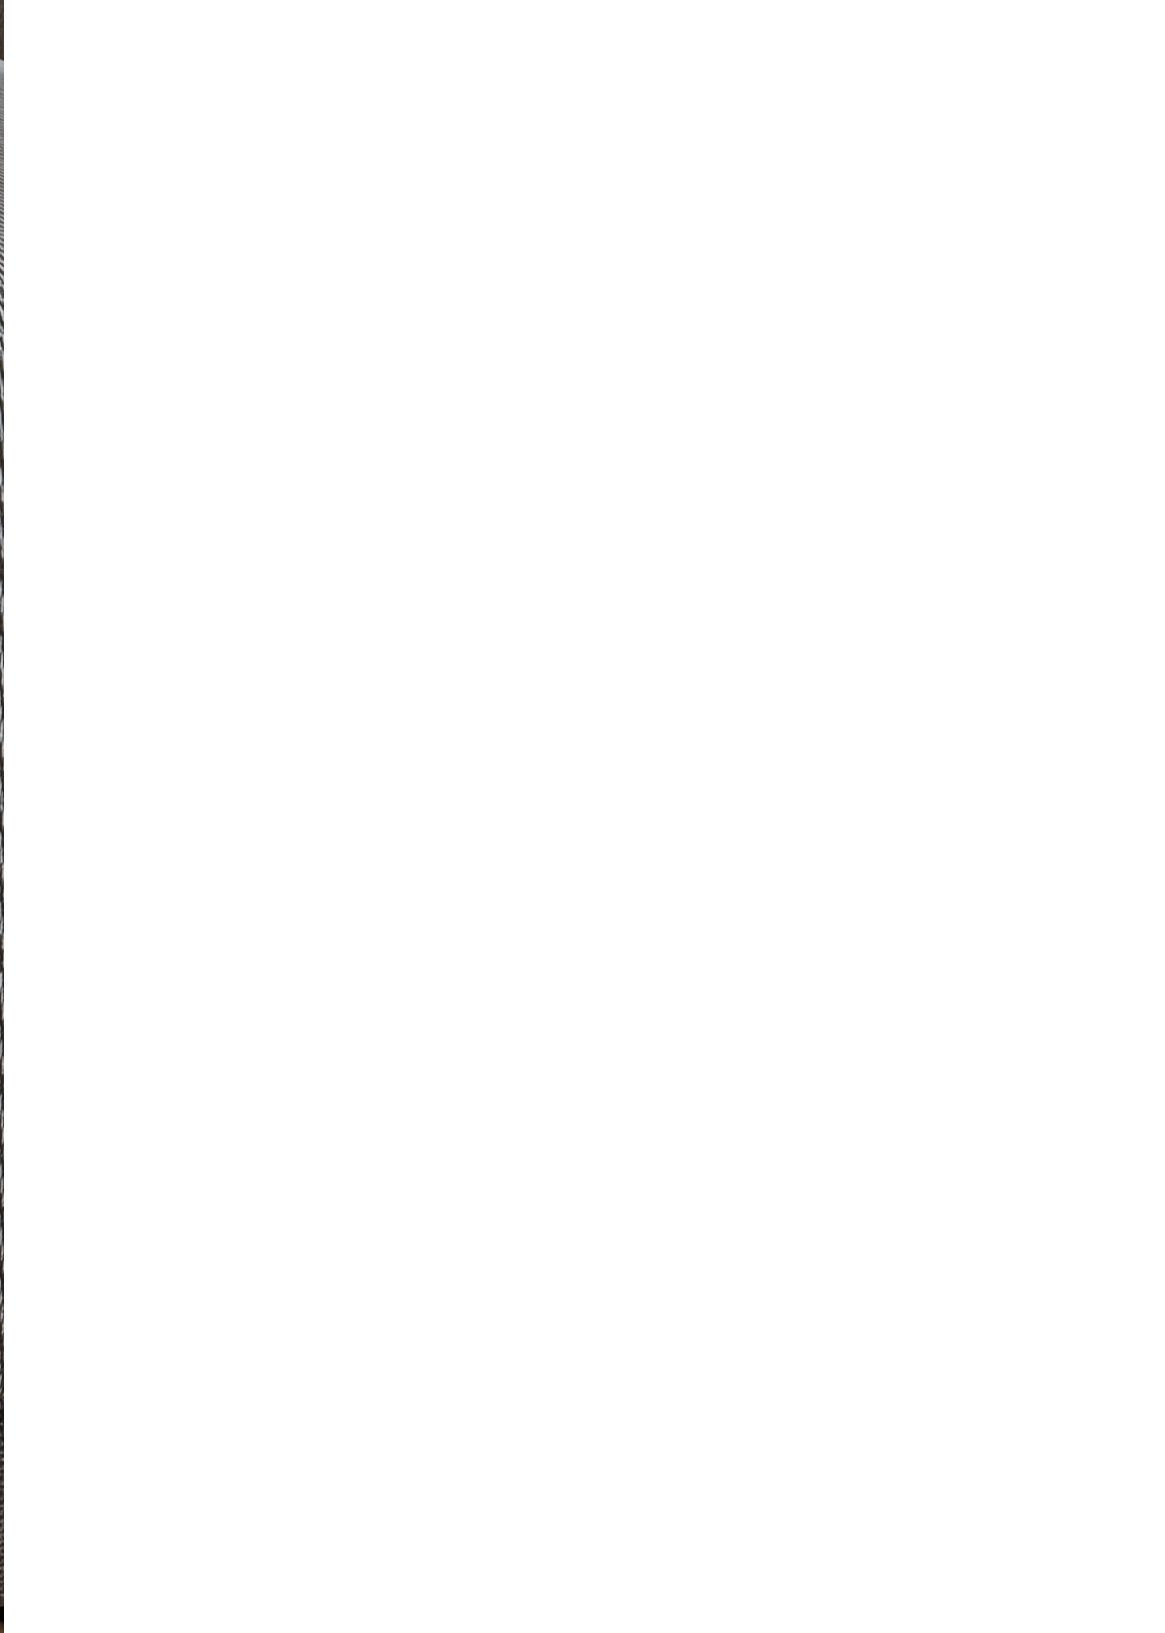

**Look outside honey. Isn't it
beautiful?**

We were in the same class or group or whatever... We hung out a lot. I can't remember where we met but all of sudden we were just always together. Everything she experienced, I experienced. I remember exploring each other's bodies. She had this birthmark on her eyelid. It was so strange to have a body at that age... This one afternoon, we were for some reason lying underneath a couch or a bed in the daycare... and no one could see us. We could see the feet of the other people in the room... and we could hear them. But no one could see us...

Could you do that again?

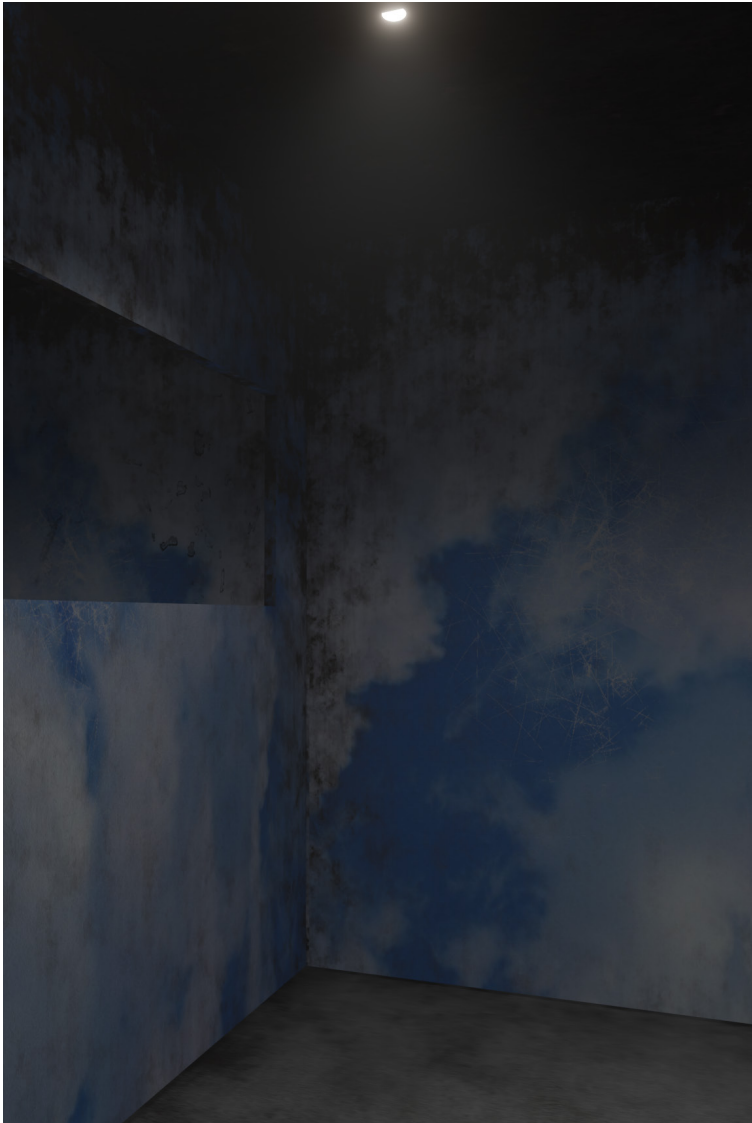

Let her...let her repeat

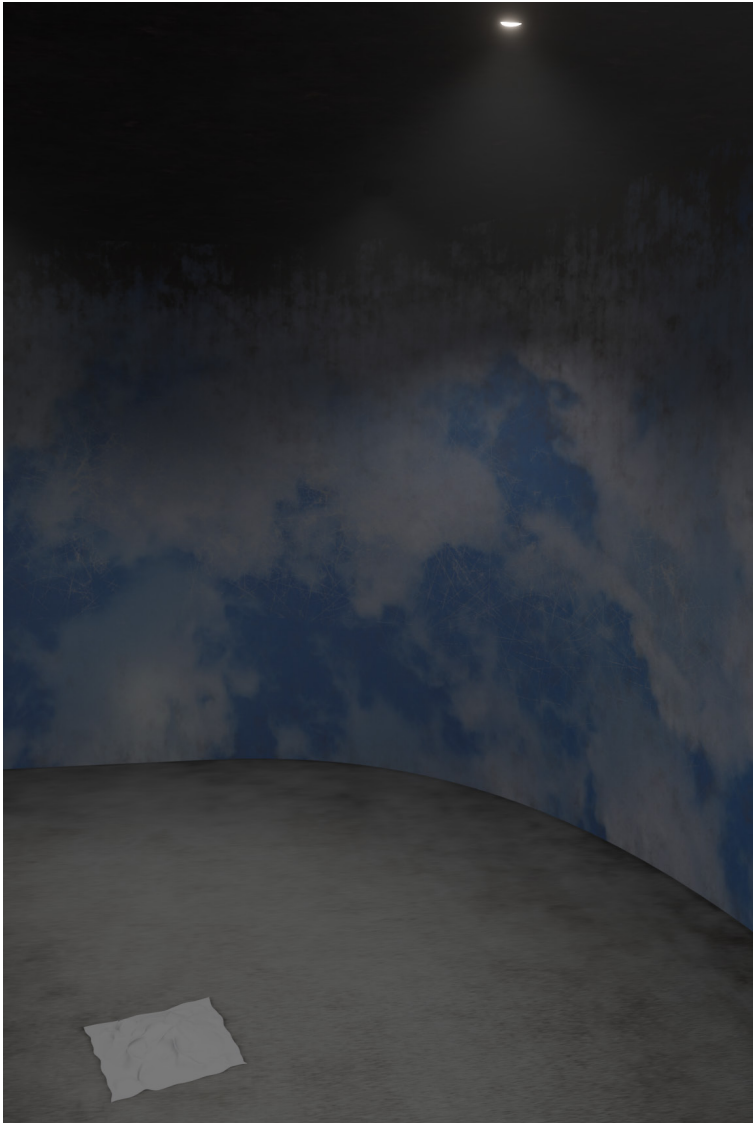

Let it repeat

**This song... I love this song...I remember now...
I remember... The first time I heard this song,
it was after I thought I'd lost you forever. I
thought we'd never see each other again. But
then one day, I was walking out, and I turned
around a corner, and there you were. Just
looking me straight in the eye. It was as if we'd
found each other once again. I've never been as
happy as that moment.**

I left the doll.

Baby you don't need the doll.
