Birkenstr. 92

It is with utmost pleasure that we announce our exhibition THE WORLD at Lucas Hirsch in Düsseldorf. THE WORLD is the first edition of a new series of exhibitions organized by ArtJunk. The group show combines works by 24 international artists and stands in the tradition of several pop-up shows we put together in the early 2010s as informal get-togethers along with friends and fellow students. High time to revive the artistic exchange of diverse positions across cultures and continents for a common here and now.
