

*Hojeong Lee – Two Songs/ Zwei Lieder*  
28.03. – 27.04.2024

*Text\_Hojeong Lee*

Circles,

more of indented and crooked,

bubbles,

the semi-transparent,

exposed or appeared,

– that of the alluring, attracted and more

obsessed,

distributing but not sharing,

the secrets,

and

the

observer

always

with

interests,

looking,

taking,

listening and questioning again,-

with

interests, the certain,

but only for now,

now,

and-now, repeating to come back,

circling,

coming back,

back to now,

the difference only

the spring flower may

have seen.

Be

seen,

here

and

there,

but come back to look,

to take and to hear.

Hearing may forget,

but remembering one

day with more interest
