Models

Apr 20 - May 18, 2024

Opening reception Saturday, April 20 6-9pm

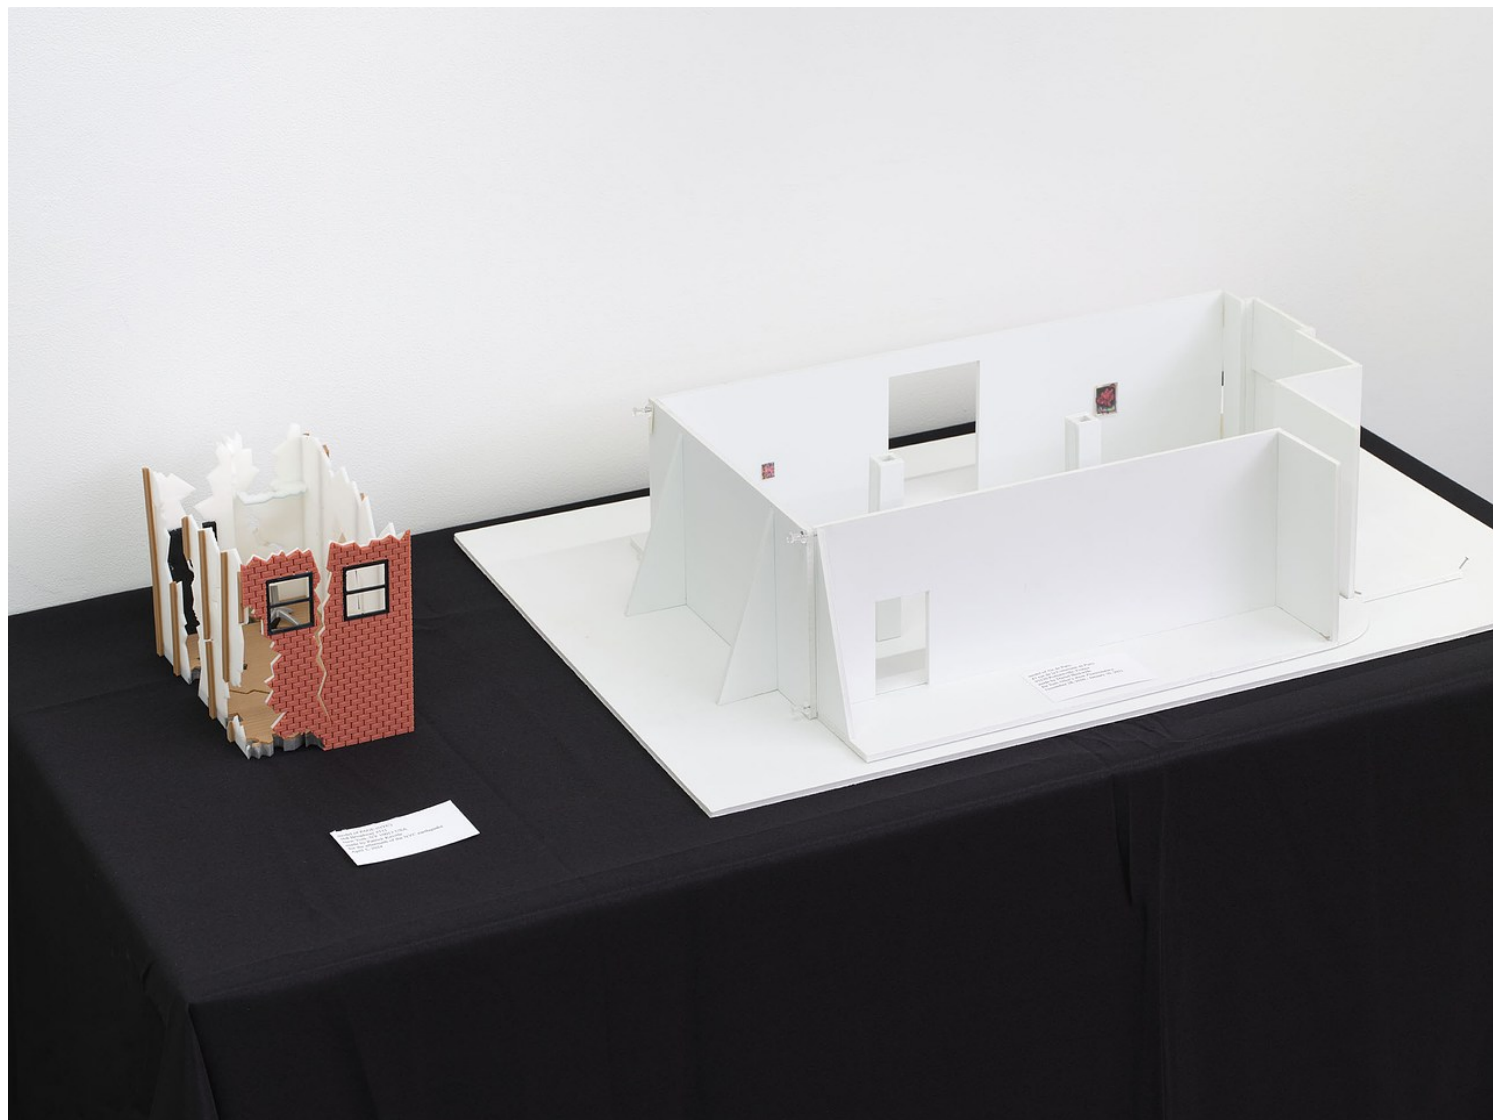

Presented in tandem with a solo exhibition by Claire Lehmann, *The Understudy*.

This is a show of architectural models of gallery and exhibition spaces.

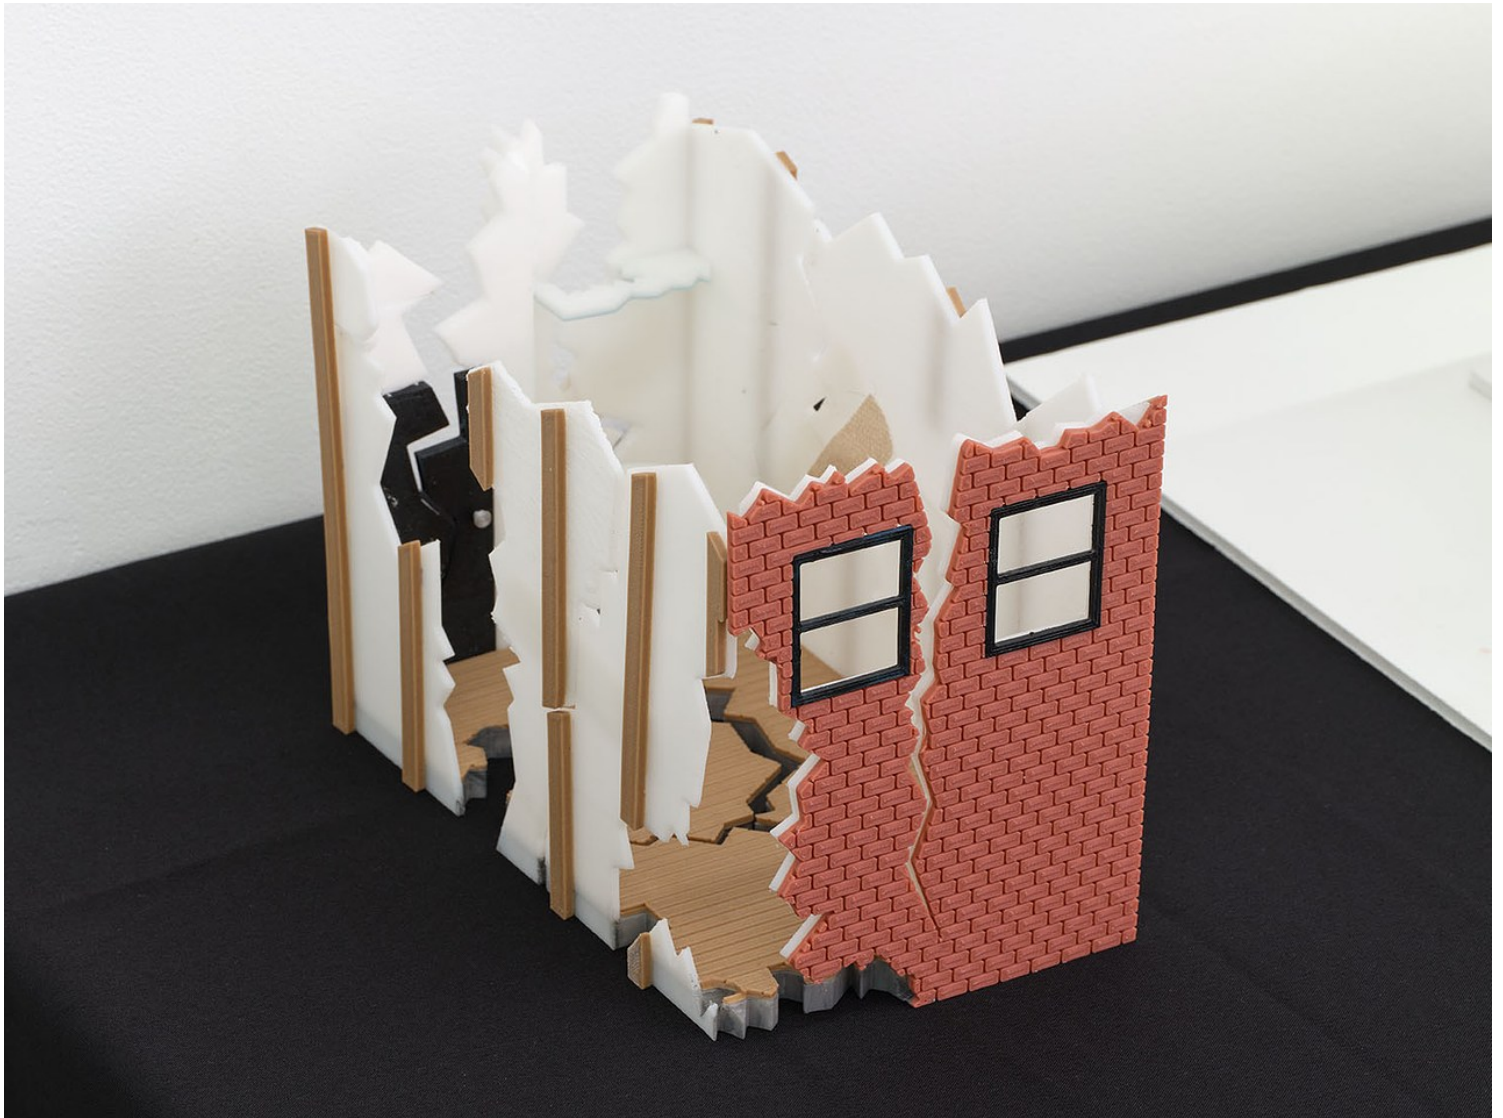

These scale models are not originally meant to be exhibited publically: they are tools used to plan and prepare for upcoming shows.

Models like these are often discarded after they have fulfilled their initial goal. In fact, some of the models in this show were, or are, going to be tossed out.

This show includes no *artwork* and nothing is titled. Consequently nothing is priced.
