BLOCK, published by **Theresia Enzensberger** and designed by **Tom Ising** and **Martin Fengel (HERBURG WEILAND)**, is a magazine for everything. Contributions are selected not according to their timeliness, but according to their quality. Authors, artists and journalists are invited to choose the topic, length and form of their contribution freely. The result is a wild mix of essays, reportage, poetry, photography and art.

BLOCK is also an experiment. The magazine supports itself through a mixture between print on demand and public ad sales on the website. Only when a thousand readers have committed to buying the first issue will we actually print it. The content of this first issue will not be available online.

Today, we are happy to announce the launch of our website:

www.block-magazin.de

We would like to invite you to our launch event at **Galerie Kamm** on February 13th. There will be an exhibition with works by **Magdalena Bichler**, **Juri Gottschall**, **Elvia Wild** and **Kevin Kopacka** and a reading by **Olga Grjasnowa**, **Tobias Amslinger** and **Mercedes Lauenstein**.

We would like to thank BierBier and Monkey 47 for their support.
