

The Green Gallery

1500 N Farwell Ave
Milwaukee, WI 53202

MHML

Milwaukee, WI.

You can find things or make things, it doesn't really matter.

Images and objects: grey triangle, pink semi-circle, yellow circle, silhouettes, wrong, blue, red, black, white, cucumber, eggplant, telephones, table, plant, stool, books.

Read a book, selection includes: David Robilliard's "Swallowing Helmets; Bruce Hainley's "Foul Mouth", and Paul McCarthy, Miles Varner and Carol Lingham's "Wolfgang Stoerchle."

Do not put the receiver to your ear.

Thank You!

.....

Margaret Lee (b. 1980) founded 179 Canal in 2009 and currently runs in collaboration with Oliver Newton, 47 Canal - both in New York City. Past curatorial projects and exhibitions organized at White Columns, NY; X-Initiative, NY; Performa 09, NY; amongst others. She had her first solo show at Jack Hanley, NYC in 2011 and will be included in *New Pictures of Common Objects* at MoMA/Ps1 curated by Christopher Lew this fall.

Matthew Higgs (b. 1964) is a British artist, curator, and writer. Over the past twenty years he has organized more than 250 exhibitions and projects with artists in North America and Europe. He is currently the director and chief curator of New York City's oldest alternative non-profit space White Columns. Higgs has had recent solo exhibitions at Murray Guy, New York; Wilkinson, London; and Jack Hanley Gallery, Los Angeles.
