

**Dominique Knowles,  
Ode to Tazz**

**Reception:** June 23, 2-5 pm  
(poetry reading at 3:45 pm)

**Exhibition:** June 23 - August 3, 2019

*I should try to press on your skin and breathe into you as much as I can  
To love you is to make a lasting memory of my embrace in your body  
Regardless if I am in disbelief  
Devotion is to pull the weight of your entire life onto me  
A surrogate may not hold you  
I'll keep going until my blood is in your heart*

*Ode to Tazz*
