MARIE ANGELETTI
HAIL MARY
JULY 6 - AUGUST 17, 2024

These aluminum sheets were found in a welding place in Sunset Park few months ago, took me by surprise. They were in there for more than 15 years. All riveted together here (approx 600 rivets), on the 14th floor of their appartement. Again, follow with enthusiasm what turn you on, chlorophyll

The photo, a rehearsal from *Lico Music Class*, LA.

Time space movement
Endless possibilities, in and out
Encourage the disappearance of certainty
repetitive actions, temporal activity, try and see

The wiggle of a worm is as important as the assassination of a president
startled, wizzle, dizzle, etc, etc, etc
