Christian Alborz Oldham presents *Update*, an ongoing newsletter publication with an ever-growing list of co-authors. This *Update* includes: a beautiful poodle, silhouettes, a dangerous fact, joie de vivre, the *Update* website, a beautiful California florist, the history of mixed-gender Olympic trapshooting, the love of repetition, embroidered pigeons, drawings made by waves, the sun and the moon, green silk resembling cabbage leaves, season's greetings from the Dalai Lama, the end of pictures, and Davora wearing an atrocious ensemble in Lisbon.

Christian Alborz Oldham also presents *Bedroom Semioticians*, a clothing sale advertised in the parking lot of A Maior. Selected garments are available for preview in-store. Epigraphs by Lewis Mumford and Lisa Robertson are on view in the dressing rooms. Listings are also on view across Viseu city centre.
