In celebration of our five-year anniversary at 47 Mortimer Street, *5 Years* convenes the entire roster for the first time since the gallery's inception.

The selection of sculptures, paintings, and text-based works celebrates the veiled affinities between our artists and showcases the multi-faceted nature of our programme, which has always been grounded in my relationships with the artists.

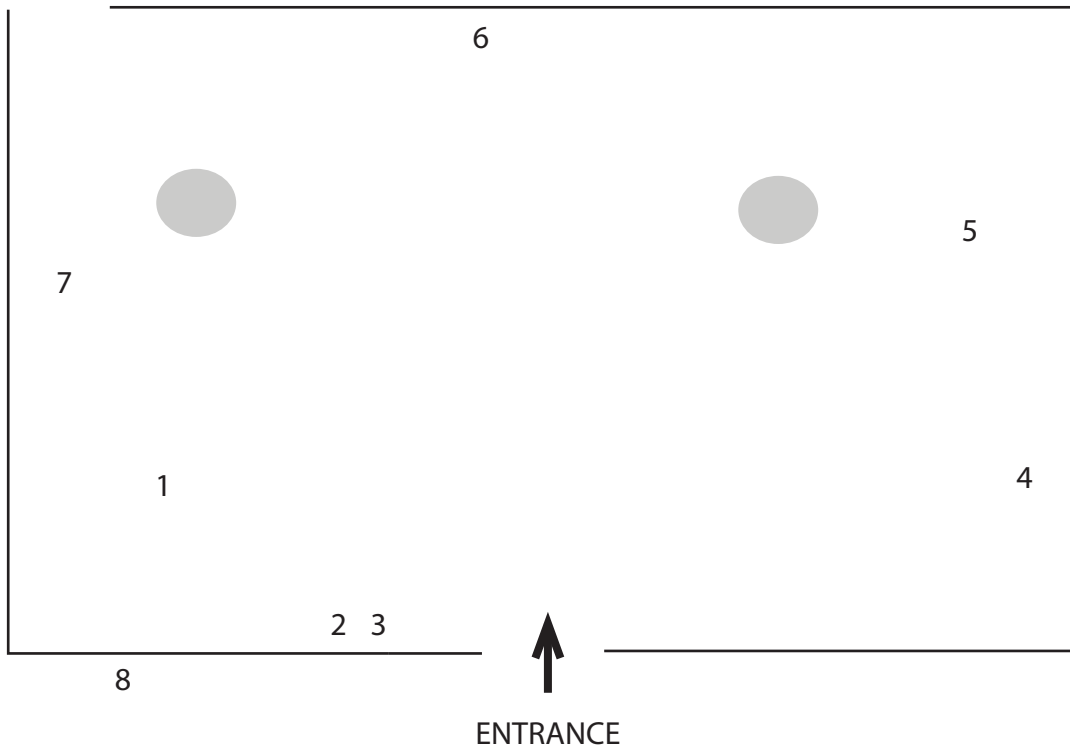

Thank you to all the artists for their trust and to our larger community for their time, both have been invaluable contributions to our first 5 Years.

Yours sincerely,

Maximilian William
