

Till Megerle:

The mental detail

27 September-9 November, 2024

*1992 (II)* refers to Plan B's *Questionable* video

*Schwerkraft* translates gravity. Gravity is an aspect of the universal order that Simone Weil calls *necessity*

*Verhaltenslehren* translates behavioural science. The term is discussed in a biography about Heinrich von Kleist by Günter Blamberger

*Guiding Light* is a band project together with Kisling and Artjom Astrov

*Funny place* is a track by Artjom

*Ohne Vergangenheit und ohne Zukunft* translates without past and without future and is borrowed from a segment in *Gravity and Grace* by Simone Weil

*Soundbrain* is an ongoing series of experimental music events in Vienna, organized together with Kisling and Artjom Astrov in our studio
