

The sixth season was dedicated to [Thomas Bayrle](#). We began in February with a lecture on the artist by [Chus Martinez](#); then installed sculptures by [Jordan Wolfson](#) and heard him share his thoughts on the painter Michel Majerus; then installed films by [Daniel Kohl](#) and heard a discussion between him and Thomas Bayrle; then installed dozens of drawings of cars by [Erik Thys](#) and hosted him and his brother [Harald Thys](#) for a performative lecture on car design; then heard [Kevin Slavin](#) and Thomas Bayrle talk about algorithms; then installed photograms and a slide projection by Sunah Choi; then installed a drawing by [Cristóbal Lehyt](#); then flew [Dr. Rashid Bashir](#) in from Illinois to talk about bio-bots; then allowed [Lena Henke and Andrei Koschmieder](#) to change the space completely and start over again; then played a recordings by [Bernard Schreiner](#) alongside new works by Jana Euler and Thomas Judin; and then ended with a concert by [Offenbvrq](#). Thank you.
