DONATION OF THE ARTWORK *KAYA\_ Untitled* BY KERSTIN BRÄTSCH & DEBO EILERS

Dear Susanne Pfeffer

We have decided to donate the art work *KAYA\_ Untitled* to Fridericianum. Since the museum does not yet have an own collection, we have buried the art piece in front of the museum on Friedrichsplatz for the time being.

The exact location of *KAYA\_ Untitled* can be found here:

From the main entrance of Fridericianum walk 127 steps (shoe size 38) straight ahead, then turn to the right and walk another 45 steps. *KAYA\_ Untitled* is buried 1 meter deep below the ground.

Sincerely yours

Kerstin Brätsch
