KRIWET Estate: "Alpha Omega. Archiving, researching, and presenting Art, Books, and Films"
BQ, Berlin
Until 05.04.2025

BQ is currently showcasing the estate of the artist Ferdinand Kriwet (*1942, † 2018). Our main gallery space serves as a Schaulager, where visitors can not only view a selection of his artworks, which are currently being documented, but also follow the gallery's archiving and research process, which will last until beginning of April.

Every 6-8 weeks, we install a new exhibition in one of our smaller gallery spaces, featuring previously unknown artworks from the estate.

In addition to the Schaulager and the changing exhibitions, we also present posters, books and records that provide an insight into Kriwet's diverse artistic practice. In March, a screening of his early films will take place in our project space QBBQ's.
