

A balance overhead  
Turns into a “look at  
What could be an instead:

Oblique;” maybe mislead  
By whatever gets at  
The balance overhead:

The cousins of the dead  
Encourage to lay flat.  
What could be an instead?

Nothing’s always imbed  
Although we can aim at  
A balance overhead.

Tripped up by a thin thread  
(What’s that? A peek, a pat?)  
Which could be an instead.

The things that stay unsaid,  
Like ennui, still say that  
A balance overhead  
Perhaps could be instead.
