FOR IMMEDIATE RELEASE

## **Change of Address**

Sara MacKillop

9<sup>th</sup> March - 5<sup>th</sup> April 2025, with an opening on 8<sup>th</sup> March 17:00 - 20:00

I started the series of Calendar Houses in 2020. They were made by combining variances in magazine file and calendar design to create a display device for both elements, which in turn resembled architectural forms in miniature.

I resumed making the series at the end of 2024 as I was attracted by the kind of novelty of the new season's calendars that previously I had tried to use and document.

The plinths supporting the structures and made into arrangements in the exhibition were found near Dorp.

Change of Address refers to the logistics of exhibition making: transport, packing and as these are houses; relocation and a new view.
