Some Trees

Rumpelstiltskin is delighted to present **Some Trees**, an exhibition featuring **Chase Ferguson, Jenny Calivas, Lorenzo Bueno, and Sebastian Black**, inaugurating our new location in Manhattan at 34 W 27th St #302.

Twenty-eight of Chase Ferguson's painted cardboard and wood parking meter sculptures fill the floor of the space. Four of Sebastian Black's drawings from his *Self-Portrait As A Good Boy* series occupy the four corners. Lorenzo Bueno's video *Hand Dance/Glove Walk* plays on loop on the facing wall. And five of Jenny Calivas's photographs from her *Self Portraits While Buried* series hang around the first turn.

A reception will be held on June 2nd from 6–8pm, and the exhibition will run through July 22nd 2023.
