In the silence of the forefathers lies a lesson on dominion. Did you also learn the Lord’s Prayer from movies? Who plays video games about violent, early cultures?

How much do you imagine you are the warrior?

Someone wants to win.

Buy two buckets. I can’t figure out what to believe in.

In what, like you’re in a beam of light. Or in a vessel, believing inside it, with a top on it. Believe in a cave in a desert, believe in a mountain; you cannot believe in a man-made object.

Is it gross, is it bad? Is it wrong? To believe in communism? It’s the space where you do it. I think probably you are trying to live in the solution. I want to win, so, I believe in communism.

I want to live in a world that doesn’t hurt me.
