June 15th - June 22th 2025

It's curtains... but not the final curtain call.

GUTS is saying goodbye to Hobrechtstraße 31 before reopening this September at Engel-damm 64.

"It's Curtains" brings together all the artists who have made GUTS what it is— a collective farewell and an instant snapshot of the past four years.

Join us as we shed our skin and celebrate a mutation that is just beginning.
