In a room of 497 × 239 cm, each wall measuring 250 cm in height, a window of 146 × 134 cm on the left wall, a door of 111 × 200 cm on the wall facing me. Being without motion, I look at the other, measure myself against every movement they make, for I see what they see and see it as they see it: without colour, as angles and distances
