

Jan Domicz
Towards a Placebo Art
June 13th - July 16th 2025

The show consists of following artworks:

Elevator cover in two parts. First one blocks the entrance to the exhibition room. Second one highlights the already blocked entrance to the neighbouring flat, 2025
laminated chipboard, mdf board, angle brackets, screws, foil

Keys inside (severed), 2025
combination lock box with keys inside. With a visible cut. It used to be used for storing keys to an apartment rented for a short time

Double plinth, 2025
used pedestrian islands on plinths

Stooge
Schillerstraße 6
Berlin
