

# MAD DEMONS

Scott Laufer

Opening Reception  
Saturday September 9  
7:00 - 9:00 pm

MAMA Gallery is pleased to present *MAD DEMONS*, a solo presentation of works by Scott Laufer. In this debut exhibition, Laufer examines the subject of inner conflict which follows the reconciliation of an upbringing in rural America and the perspective gained from leaving it behind.

The works presented employ a classical methodology, resulting in an exploration that rises with frustration and conflicting notions of simultaneous bondage and freedom.

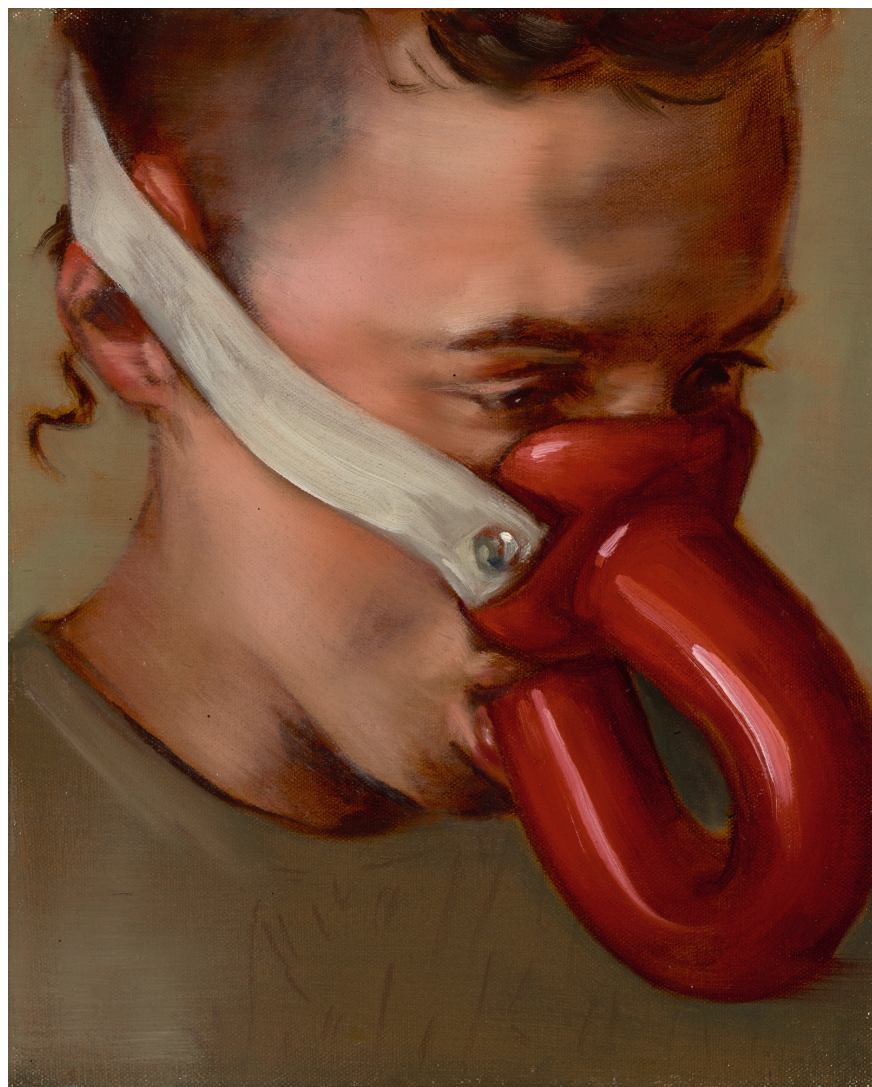

Laufer's unrelenting cross-examination of truth and disillusionment culminates in a melancholic series of paintings that attempt to pose the provocative question, "*Am I still who I was?*"

*MAD DEMONS* will run through October 9 at ArtMovement, Los Angeles, CA.
