**Etablissement d'en Face**

---

In July 2025, the Italian restaurant Il Grande Capasone di Bianchi Montalbano\* opened at Etablissement d'en Face in Brussels. Filip Gilissen was invited by Bianchi Montalbano himself to create an artwork in the basement of the building: a fountain made of reassembled glass and bottles installed on stone plinths. The title of the work is EauLaLa.

Objection ! Your Honer!

Eau La La! La;

EauLaLa this is Gran Riserva on the rocks

EauLaLa this is Opera on ash

EauLaLa this magnesium sulfate leak has no neck

EauLaLa this is a locomotive of silicone

Like Italian snow on your tongue

Like a waterfall in slow motion

Like a map with no ocean

Like a bouquet of air in your ear

There is a limit to your love

To the same non pétillante

To the same frizzante

To the same sprudlende

There is a charge

Objection denied
