

Dear friends:

please partake in this brief survey.
There are no right or wrong answers
(and no stupid questions...)

1. What did you like to do as a child?
2. Do you have a hobby or hobbies?
 - If so, when was it / were they introduced into your life?
 - If not: why is that?
3. What vibrates in your heart when you hear the sentence
"You have made your hobby
into your profession" ?
4. Can a hobby help through a
heartbreak? Please elaborate (a little)
5. When and how do you relax?
6. What is a hobby you don't have,
but would like to?
