This show, storm struck, would never have happened without my dear friends and family, and particularly in no particular order: Asma, Mina, Remy, Angelina, Sabrina, Yann, Lucas, Debbie, Armand, Pavo, Simon, Katia, Yoon, Lou, Sarah, Sophie, Reema, Pompon, Needle, Sacha, Fabrice and so many more. I will never forget this ride, thank you so much for arms, brains and hearts.

Big thank you to Halle Nord, Elise and Renaud, for the pedestals, to Zoo for the lights and to Pool Photo of Head Genève for the darkroom time.
