

Samuel Francis Louis

*Objects & Interiors*

October 25 – December 6, 2025

Simo Bacar is delighted to announce the opening of “Objects and Interiors”, a solo exhibition by Canadian artist Samuel Francis Louis, showcasing six recent paintings created over the past year. This exhibition marks his first-ever solo presentation.

His work draws heavily from his engagement with art history – particularly late 19th and early 20th century French painting – while also taking influences from video game technologies, outlaw comics, manga, and 3D software. Through this synthesis, the artist merges classical painting principles with contemporary visual languages, weaving high and low culture within richly imagined, technologically mediated worlds.

Samuel Francis Louis (b. 1990) lives and works in Montreal, having grown up there and in Auckland, New Zealand. The artist studied at Whitecliffe College of Art and Design and at Elam School of Fine Arts under writer and curator Allan Smith.
