

The inaugural *Condo New York*, a collaborative exhibition by 36 galleries across 16 New York spaces, will take place from June 29 – July 29, 2017. In 2016, Vanessa Carlos (Carlos/Ishikawa) founded *Condo London* as a way to offer international galleries a site for creative collaboration and exchange.

New York galleries will host a visiting gallery (or galleries) by either co-curating an exhibition together or dividing the host gallery into different exhibition spaces. *Condo* arose from a reevaluation of existing exhibition models, a desire to pool resources and act communally, and the need to activate the gallery space in a different manner. Through this partnership, *Condo* offers a more generous and encouraging environment for the global presentation of experimental exhibitions.
