Dear Beast

29 November, 2025 – 24 January, 2026

Opening reception Saturday, 29 November, 4–6 pm

Studio 0/1, 43 Virginia Street, Glasgow G1 1TS

5b is honoured to present *Dear Beast*, an exhibition comprised of a single work – *Cat in Greys* (1958) – by Carole Gibbons. Gibbons completed the painting while studying at The Glasgow School of Art; reflecting upon her studies, Gibbons recalls feeling at odds with her tutors at the time, as well as the impact of first seeing reproductions of the work of Picasso. Notably, *Cat in Greys* is possessed of a muted palette reminiscent of her then-partner Alan Fletcher's, who died tragically that same year. Beyond being a striking early example of her work, the painting attests to Gibbons' long-standing exploration of the cat as muse. A new publication celebrating Gibbons' devotion to the feline subject accompanies this presentation.
