Ellie Pratt
Flight from the Enchanter
14 March—25 April 2026

South Parade is pleased to present London-based artist Ellie Pratt's second solo exhibition at the gallery.

Titled after Iris Murdoch's novel about a group of people drawn into the orbit of an elusive and charismatic man, *Flight from the Enchanter* presents the creative process as a perpetual point of departure, reflecting both the regenerative power of creation and the volatile nature of the self.

Through painting, architectural intervention, and writing, Ellie stages the act of image-making as a tool of revelation, positioning the gallery as a site of transformation that questions the role of the artist and bridges the gap between conscious and unconscious thought.
