

"We buy gold."

"We grow gold."

"We buy time."

"The scam of the maker is which time."

"As in which time?"

"Even a match won't show fire when lit in the flame."

"But growth at any cost?"

"They thought you'd always need people to apply the wisdom gained through age and experience'...'As in you'll still have to have the people here!'...'But if the laboring body is reproduced and then produced by a differing body that differs from the original body, wherein the original body comes to an end...(interruption)...Well that's the threat isn't it?'...'Sure, but doesn't the machine also need a witness'""?

"She wants to think about what we as humans are touching, and have touched, and will touch, and how that has changed and how that will continue to change."

"But not like holding hands?"

"More like holding all things in commons."

"The ugly truth is that we believe in connecting people so deeply that anything that allows us to connect more people more often is *de facto* good."

"From your cave did you contact the future?"

"Did you root across the line?"

"Were they trying to reach you? through a frame?"

"Does a bowl rot in the sun?"

"Like the matches?"

"...still fueling an absent fire, the first spark in the first dwelling, that continues to serve the century that sought to bridge the gap"

"Just like a witness."
