*Hi It's Me*

3.22.13 – 4.21.13

Queer Thoughts is delighted to announce *Hi It's Me*, a solo presentation by Chicago-based artist Chloe Seibert. Seibert will create a monumental sculpture within the compact space of QT, using her customary wit and élan. Seibert's skillful manipulation of scale and materiality playfully provoke an emotional response in the viewer, calling into question the psychological ramifications of objects and architecture. Chloe Seibert (b. 1989) received her BFA from The School of the Art Institute of Chicago and is a member of the artist group PplSft. Recent exhibitions include CourtneyBlades (Chicago), Bodega (Philadelphia) and Important Projects (Oakland).
