invitations 1
Atelier 02, 20 rue de Tourtille, 75020 Paris, France
8 — 10.5.2026, 14:00 - 19:00 / opening — 7.5.2026, 17:00 - 20:00

invitations 1 is an exhibition bringing together a group of artists to examine the role of publications as embedded structures within exhibitions. Conceived as both medium and site, the publication operates here not as documentation but as a generative framework, producing spatial, textual, and temporal extensions of the exhibition. It unfolds as a fictional construct and a narrative layer nested within the exhibition itself, questioning how exhibitions are articulated, circulated, and reconfigured.
