IN THE NEAR FUTURE,

KIWIS CAN START UP RENEWABLE-ENERGY PROJECTS IN THE SAME AREAS WHERE THEY, AS ANZACS, HAD FOUGHT.

EL ALEMAIN, THE MARETH LINE, PAASCHENDAELE AND THE BELGIAN COAST, THE ITALIAN COAST, CRETE AND GALLIPOLI ARE ALL PRIME FOR ECOLOGICAL DEVELOPMENT, WITH RESEARCH STARTED IN NEW ZEALAND WATERS.

THUS WE MOVE FORWARD FROM THE STRUGGLES OF THE PAST.

WE START WITH ANALYSIS OF THE PERSIAN GULF, USING AUTHORITATIVE SATELLITE SCRUTINY.
