Team (bungalow) is pleased to present a two-person exhibition of new work by Sheree Hovsepian and Paul Mpagi Sepuya. The show will run from 17 March through 14 April 2019. Team (bungalow) is located at 306 Windward Avenue in Venice, CA.

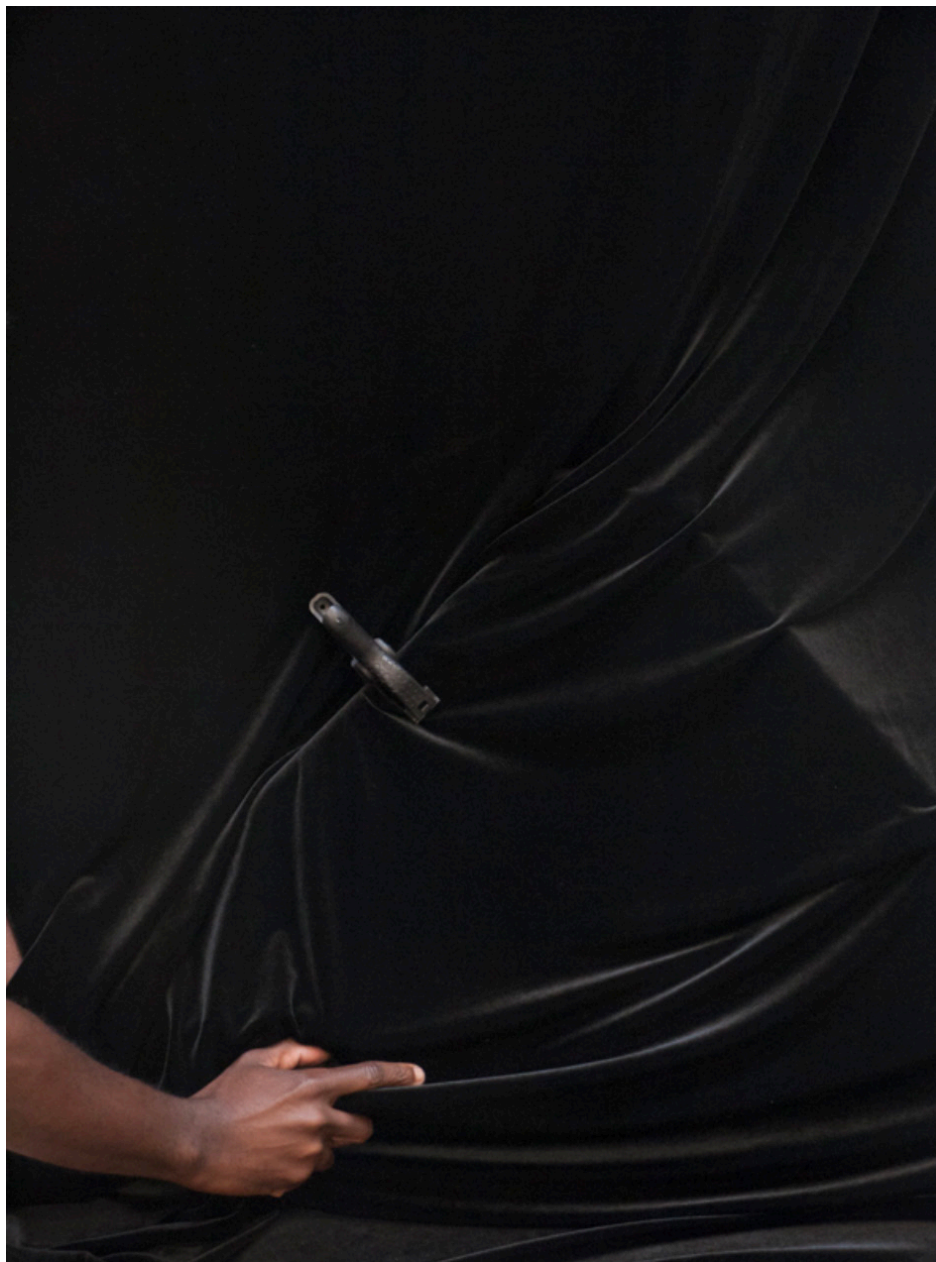

During the past five years, New York's Team Gallery has mounted 28 exhibitions in a small bungalow and its adjacent garage in sleepy Venice Beach, California. The previous 27 shows have all been solos; this is the first time the gallery has deviated from that formula. The bungalow has alternatively showcased worked from artists on Team Gallery's roster and from invited guests. This two person show pairs two such artists.

Hovsepian, a New York-based artist, has had numerous solo exhibitions including those at Higher Pictures in New York and at Monique Meloche in Chicago. Her work is held in numerous public collections including those of the Art Institute of Chicago and the Studio Museum in Harlem. Sepuya, a Los Angeles-based artist, was included in last year's edition of "New Photography" at the Museum of Modern Art. His work is represented in numerous public collections including the Guggenheim Museum and the Whitney Museum of American Art. A solo show of Sepuya's work is on view at Team's New York space through 13 April 2019.

Team (bungalow)'s hours are Wednesday through Sunday, noon to 6pm. For further information and/or photographs, please call 310.339.1945.
