Witness a century

Love is everywhere

They all think they can turn me

Motor and horse goes together

He liked Tombstone

For Elvis I always liked everything from his 1968 tv special or his Hawaii concert 1973 up until he died. Very unique but ck YouTube and you'll see. As for Dean Martin, he had a beautiful voice and for me sang the most beautiful love songs in Italian. These 2 were the definition of what cool is for me!
