*Do you want to realize your fullest potential? Be your truest self? Act with confidence? Attract abundance? Alleviate anxiety? Experience clarity? Know your purpose? Be the change you want to see? Be truly present? Experience realfreedom? Change the world? Be a part of the solution?*

*On some level, we all want to feel this way, but sometimes in our globalized, capitalist, settler-colonial society it feels impossible. Which is why the New Red Order is developing a dynamic system to help our accomplices achieve all of this and more. This sneak peek of our free introductory video, Never Settle, will tell you what you need to know to take control of your life today!*

– New Red Order, 2020

New Red Order returns to Artists Space for *Informants Get Paid!*, a public assembly exploring one of the largest obstructions to indigenous growth: an excessive, some might say inappropriate, desire toward indigeneity. Through presentation, performance, and live music, this desire—which pervades the myths, dreams, and political foundations of the so-called Americas—will be harnessed, converted, and channeled to promote Indigenous futures.

Enlisting a rotating and expanding cast of Informants including Lou Cornum, Ed Halter, Inpatient Press, Adam Khalil, Zack Khalil, Sacramento Knoxx, Jackson Polys, Pvssyheaven, Sunkheaven, Bayley Sweitzer, and Wetware, *Informants Get Paid!* will include a recruitment drive for new members and a sneak peek of New Red Order's in-progress infomercial *Never Settle*.

Following Thursday evening's event, New Red Order's installation will be on-view Friday, January 24 through Sunday, January 26.
