

Chapter NY
Jesse Stecklow
The Multi-Directional Elevator
May 1st – June 12, 2016
Reception: Sunday May 1, 6pm

Did he ever return?
No he never returned
And his fate is still unlearn'd
He may ride forever
'neath the streets of Boston
He's the man who never returned.

– Charlie on the MTA, 1949

P.S. There is a second, separate exhibition here as well. It contains the body part of a man that I took from an indefinitely-closed storefront in LA that I pass on my way to the studio. His extremities are bound to wait, one at a time, broken up across street-facing windows, in cities other than his own, until further notice.
