

I am not a jungfrau. I am a young frau. My star sign is jungfrau – I deflowered this space. Popped it's vernissage cherry. I have grand tetons tho they're actually quite small. I have never been to the Grand Tetons. I have hiked up and down Jungfrau so many times – the Top of Europe – I was jung (read young) not ein Junge. I had no choice – it was a family affair. Tomorrow they seduce me.

They tell me I'm most successful working quickly without knowing what I'm doing. I repeat repeats so many times. I am that woman in those woods, by that mountain, near the ocean. Drawing paintings takes care of this.
