Tommaso Corvi-Mora is pleased to present a new work by Dee Ferris at NEITHER, "*Where I end and You Begin"* (2025).

*Where I End and You Begin* (2025) is a large-scale canvas reflecting the artist's encounter with a vast expanse of untouched Alpine snow. An epic vista in the vein of much of Ferris's work, it immerses the viewer in a field of white, presenting snow as a shifting entity capable of eliciting an experience at once contemplative and visceral.

It is the footprints left by the figure in the distance that are the main motif of the work. Rendered in intense detail and taking up most of the canvas, they are expressive incursions into a liminal blanket of whiteness; purveyors of emotion and longing that communicate striving that is both physical and existential.

This will be the ninth presentation of Dee Ferris's work at the gallery, fruit of a collaboration that has continued for over twenty years.

The gallery is open to Tuesday to Saturday, 11am to 6pm.
